Kroy Slavery and Human trafficking Statement: October 2018

Kroy Europe Ltd is committed to ensuring that there is no modern slavery or human trafficking in our supply chains or in any part of our business. Our Anti-slavery Policy reflects our commitment to acting ethically and with integrity in all our business relationships and to implementing and enforcing wherever possible effective systems and controls to ensure slavery and human trafficking is not taking place anywhere in our supply chains.

Wherever possible we build long standing relationships with our suppliers whether in the national or international supply chain and endeavour to source our materials used in manufacture from suppliers based within the UK and the European Union. We expect these entities to have suitable anti-slavery and human trafficking policies and processes.

Please note that we rely in part on information from our suppliers in regard to the above statement.
