LW-600P
Portable printer

TV-B1216
515640-PU002505

Print:

* Wire & Cable markers

* Heat shrink tubing

* Labels -

On-site, on-demand

printing from your

smart phone or laptop

Easy to install - snap in

self contained supply

cartridges

With the smart-phone app you can print labels, heat shrink tubing & cable markers via Bluetooth directly from your mobile.

Battery or mains powered, this compact printer has a small footprint, prints labels "on the fly" to complete your identification tasks either on - site & on - demand or on your desk-top connected to your PC

Easy to use, the LW-600P makes short work of those identification tasks and gives a smart professional finish to your work.

Convenient snap in supply cartridges lets you change tape colours or supply type in seconds.

Ideal for labelling assets, cables & wires, parts bins, laboratory samples, components, electrical cabinets, patch panels, and much more......
